Warning(s)

Caution!

- Do not overload or climb on this product.
- Danger of tipping over if handled incorrectly.
- Sharp edges can damage the surface.
- Suitable for indoor use only.
- The product is best stored in a closed room at a temperature of no less than 15°C and humidity of no more than 65%.

Modification of products:

Modifications of any kind will compromise safety and render the warranty void!

Please do not use the ‘Wooden’ transport trolleys for gymnastic benches, should there be any signs of wear or damage.

Maintenance and care / additional information

Information regarding regular inspection:

- Perform a visual inspection at regular intervals.
- Due to our continuous quality control of the products, technical changes may occur which may lead to minor changes to the instructions.
- Check the bolt connections regularly for tightness.
- Check the product for any damage and replace worn parts.
- Check the condition of wooden elements, as use may cause chipping or other signs of wear.
- Check the condition of the rubber caps/feet, as use may cause them to wear out and no longer fulfil their desired purpose.

We are happy to answer any questions you have.
