### **Maintenance and care instructions**

#### **Instructions:**

Carry out a visual check at regular intervals. Due to our continuous quality control of the products, technical changes may occur which may lead to slight deviations in the instructions. Check at regular intervals that the screw connections are tight. Check the equipment for possible damage and replace worn-out parts. The wall bracket is designed only for its intended use. Improper use voids the warranty.

We are happy to answer any questions you may have.
